## ABOUT US

DeepFresh, one of the brands of Aksan Kozmetik A.S., started production with wet wipes in 2008. Each year, it added many new products to its product range in line with the needs of consumers.

Today, it is taking strong and confident steps towards becoming the leader of the sector in the category of personal care and hygiene products that can be used by individuals of all age groups from 7 to 70.

DeepFresh, which aims to be in all areas of human life, removes the obstacles to people's exploration of the world by meeting the needs of both hygiene and care with personal care and cleaning products. In this way, it enables them to be liberated by destroying the borders between them and life.

Being sensitive to its environment, DeepFresh also provides emotional support to people's lives with its innovation and research. Strives to create a better world.

Unity for this purpose knows its value.

He works so that everyone can live humanely and struggles with everything that stands in the way of living life to the fullest.

DeepFresh believes touching is the biggest discovery in life.

He knows that we express our love and excitement by touch and thinks that we can make sense of our surroundings by touching. Today, it is proud to touch its customers with its products in the domestic and foreign markets.
